

Mossman Market Newsletter

Christmas, 2017

*We wish you all a very
happy and holy Christmas*

On behalf of Joan, Fr Kenneth and the Ministry Unit Council of Mossman/Port Douglas, we would like to thank all the stall holders for their wonderful support during 2017.

It is only through your loyalty to the market that we have become the success we have.

In the local Business and Tourism Awards this year, we came in second behind the Port Douglas Market, which for us is a great success.

We would like to show our appreciation to you all in two ways:

Firstly there will be some refreshments in the Op Shop area following the market on 16th December. Please stay behind for a short time after the market closes and share in some Christmas Spirit. We would like to start at 12.30, so try to make it on time

Secondly, Christmas Day and New Year's Day both fall on Monday this year, so the market will still happen on the Saturdays (23rd and 30th December). However, the market on the 30th will be a "freebie". Still come along if you can, but there will be no stall holders fees collected that day.

LEAD ME NOT INTO TEMPTATION

A couple of the stall holders have mentioned that money has been going missing from their stalls. It is probably not a good idea to leave money sitting in the tin under your stall, especially at times when you need to leave your stall for whatever reason.

There are some people in our community who just cannot resist temptation like that. So please take care with your money and if you need to leave your stall and cannot take it with you, then leave it with your neighbour while you are away.

We are not sure if this is a new phenomenon or just something we are only just hearing about, but please take all the care you can.

WELCOME CAPTAIN'S CREPES

Located at the far northern end of the market along Foxten Avenue, directly in front of St David's Church, Captain's Crepe's have now joined the market adding to the variety of eating experiences that you can get. They serve dessert crepes to take away and also have a small area with a few tables and chairs.

STALL FEES

Can you help? As part of your preparation for the Market on a Saturday, could you perhaps put aside your stall fees so the correct amount is ready when Shirley or Ethel come around?

Your fees should not be dependent on how much you have sold or not sold on any Saturday. They cover the small costs of running the market as well as a monthly donation to a local charity. Since the last newsletter donations have been made to, Blue Care, Pink, Port Douglas Kindergarten, and the Mayor's Christmas Appeal.

OUR RULES

These are something we all need reminding of from time to time, so once again the market rules are printed on the back of this newsletter. Even if you are a regular stall holder, please take the time to remind yourself of what they are

If you want more information about then, please speak to Joan or Fr Kenneth at any time.
